YEAR 12 GRADUATION ASSEMBLY
Friday, 18th September 2015
10.00am in the MPC

Family and friends of Year 12 students are invited to attend this Assembly to farewell the Year 12 class of 2015.

Relieving Principal,

Farewell to year 12

As this will be the last newsletter before our Year 12 students have their final classes on Wednesday, it is timely to say farewell to them. On behalf of Dungog High School, I would like to wish all Year 12 the very best for their exams, and wish all Year 12 every success in pursuing fulfilling and happy futures, at both a personal and career level. Thank you also, to all of our Year 12 people for being a part of our school, and for the varying contributions each of you have made in your individual ways, throughout six years with us.

The graduation assembly for Year 12 will be held in the MPC this Friday at 10.00. This is always a very emotional time for our senior students who are together for the last time as a year group at a school assembly. Parents and friends are encouraged to attend to congratulate all these students at the completion of 13 years of schooling. Morning tea will be provided after the assembly for Year 12 and their parents. Year 12 students need to be at the MPC by 9.30am so that they can be organised into their lines. They must be wearing full school uniform for this assembly if they want to go on the stage. Can I also remind parents that siblings at the school need to be in full school uniform on the day to be in the MPC. It would be unfortunate if they missed the assembly because of their uniform. I personally discussed this issue at our assembly last week offering support to any students needing help with uniforms.

Going to school every day is the single most important part of your child's education. Students learn new things at school every day – missing school puts them behind.

We all want our children to get a great education, and the building blocks for a great education begin with students coming to school each and every day. If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school. There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes. Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early – Attendance patterns are established early – a child regularly missing days in Year 7 or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates.

The main reasons for absence are:

Sickness – There are always times when students need to miss school, such as when they're ill. It is vital that they're only away on the days they are genuinely sick, and setting good sleep patterns, eating well and exercising regularly can make a big difference.

It's vital that holidays are planned during school holidays where possible, and not during the term if it can be avoided.
“Day off” – Think twice before letting your child have a “day off” as they could fall behind their classmates – every day counts.

Truancy – This is when students choose not to go to school without their parent’s permission. There can be many reasons for truancy. The best way to address this is for schools and parents to work together.

If you’re having attendance issues with your child, please let us know so we can work together to get your child to school every day. Attendance will be a focus area for Term 4 as our attendance rates have dropped below 90% for the first time this year. Much of this was due to the devastating effect on our community after the flooding back in Term 2. However, we need to reverse this trend and get students to school each day – every day counts.

New Parent Portal starts early Term 4 (Sentral)

Sentral’s parent portal provides parents with 24/7 access to important information about their child/children.

To use the Parent portal, you will need to register as a parent user. Each parent has been sent a letter from the school by Mr Curran, our Sentral Coordinator, explaining this simple process and providing you with a unique access code. You cannot register without this code. If you do not receive a letter, or if you lose your registration access code, you can contact the school for a new one.

You will be able to register for the Parent Portal at any time after receiving the letter; however, you will not be able to access the portal until day 1, term 4.

Mr Curran will be holding an information evening at 5pm on Wednesday 16th September in the school Library. It will likely run for an hour. Please ring the school office if you plan to attend this evening.

Student Achiever of the Week Award

This week’s recipient is: Lucy Neilson Year 11

Lucy has shown what the meaning of PBL is within the school. She took it on herself to assist a student who was having difficulties in Retail. She moved seats and sat next to this student the whole lesson helping and guiding them with their work. She showed this student Respect to her fellow student, took Responsibility in ensuring her classmates were up to date and Personal Best by doing her best for all members within the class. You are a credit to the school Lucy.

Lucy will receive a certificate and $25 voucher.

From the Office

To save students lining up and waiting to hand in notes or pay for excursions, fees, etc we have started a new system with a ‘Student Letterbox’. Students can drop their

- permission notes,
- absence notes,
- correct monies with permission note in a sealed envelope, and
- early leaver requests – (Note all Thursday early leaver requests must FIRST be signed by the Deputy)

in the ‘Student Letterbox’.

If a student does need change and/or a receipt to take home they will need to stay in line, or come back later to collect it.

CAREERS NEWS

WORK EXPERIENCE AT THE ZOO

Students in Year 10 next year have the opportunity to undertake Work Experience at either Taronga or Western Plains Zoo. As these positions are highly prized by students throughout NSW, the Zoos require applications by December this year so that they can plan their year. Each school can only send one student to each Zoo.

The winner of the iPad Mini, for payment of General Contributions by end June, was Jordan Long, Year 11.
If your daughter or son is interested in working with animals and you can arrange accommodation in Sydney or Dubbo, this would be an excellent Work Experience opportunity. You must also be prepared to attend on whatever date is offered.

Interested students need to see or email me before the end of this week (September 18) to go on a list of students to be interviewed in the following weeks. They will need to have a resume and be prepared to convince the interviewers as to why they should be chosen based on their knowledge of the job, interest in animals etc.

**CHS State Tennis Championships**

Year 8 student Elyse Standing as the youngest member of the Hunter Girls Tennis team competed in the CHS State championships in Wollongong last week.

The team played exceptionally well and took home Silver.

**NSW SCHOOL VACCINATION PROGRAM 2015**

School vaccination clinics continue into terms 3 & 4.

The last round at Dungog High School will take place on Tuesday, 15th September, 2015.

**WHAT IF MY CHILD HAS MISSED A VACCINE**

If your child has missed any vaccinations they will be offered any missed doses at the next clinics at their school.

**WHAT IF MY CHILD HAS NOT RECEIVED ALL VACCINES BEFORE THE END OF 2015.**

Any year 7 student with missed doses of vaccine can be caught up in 2016.

Additionally – any year 8 students who commenced HPV vaccination while in year 7 and are yet to finish all 3 doses of HPV (and who has not received any from their local doctor) can still receive these at the next clinic at their school.

Don’t forget a Record of Vaccination is given to each student for each vaccination. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

**Relief for Music HSC students**

Last week our Year 12 Music students presented their HSC performances for external examiners. This is always a hectic time for any student and Year 12 should be proud of themselves for completing this section of the HSC in such an enthusiastic and professional manner.

With songs ranging from Ashleigh Thornton’s ‘Wide Open Spaces’ by the Dixie Chicks to ‘Bei Mir Bist Du Schoen’ by the Andrew Sisters and performed by Mel McLarty, Jade and Jordan Eyb. ‘Ho Hey’ by the ‘Lumineers’ was sung by Rachel Cunningham and Jorja Lambert. There was certainly a variety for the examiners to listen to. James Thomas performed ‘Dumb Things’ with great enthusiasm while Jade Eyb sang the beautiful Mariah Carey song ‘Hero’. Mel McLarty had a great range of songs including the beautiful ‘Summertime’ from Porgy and Bess and ‘Our Day Will Come’ which was a new version by Amy Winehouse.

Overall the day was full of energy and we wish to thank our ‘extra’ performers who came to help out with instruments and voices. Thanks go to Mark and Oliver Wheeler, Tina Tiedeman and of course the ever faithful Jordan Eyb who sang through her school years at Dungog High and now comes back to help out as she continues her studies at the Newcastle Conservatorium. Thanks to all. Mrs Knight and Mrs Danvers

The field station was donated to UTS in 1984 by former School of Life Sciences member Betty Campbell. She donated the land so that future UTS students could pursue environmental studies and to essentially preserve the site as bushland.

Lonely housewife Ila (Nimrat Kaur) decides to try adding some spice to her stale marriage by preparing a special lunch for her neglectful husband. Unfortunately, the delivery goes astray and winds up in the hands of Saajan (Irrfan Khan), an irritable widower. Curious about her husband's lack of response, Ila adds a note to the next day's lunchbox, and thus begins an unusual friendship in which Saajan and Ila can talk about their joys and sorrows without ever meeting in person. Can you fall in love with someone you have never met?
